Subject: Falcon Refinery

Gary,

Good morning! I wanted to let you know that Jonathan Carroll has not contacted me in response to my letter sent last week regarding the boxes Gainco has leased on the Falcon site. Therefore, Gainco is currently scheduled for 8 a.m. Friday, 11/16/12, morning to get these removed from the site. The plan is to lay plastic down on the ground, dump both boxes on the plastic, cover the pile(s) with additional plastic, take photos, and email the photos to you so you can see what we did.

We have a 2500 gallon poly tank on-site also. It appears to have approximately one foot of liquids in it right now. We will leave this on-site and I will invoice Lazarus for a replacement tank. They can have the tank and dispose of the fluids appropriately when they are ready.

Please let me know if you have any questions or need additional information.

Thanks!
Theresa Nix
